

Flatiron Plazas and Worth Square Plaza Workshops

Subject: The NYC Department of Transportation (NYC DOT) is conducting outreach on the capital reconstruction plans for the Flatiron Plazas and Worth Square. This capital reconstruction would convert the plaza areas from painted pedestrian spaces into permanent plazas with concrete sidewalks, in ground plantings and trees , and new furnishings including lighting and seating.

Workshop materials and online survey will be available at nyc.gov/dotprojects the day of the event.

Dates, Times **Wednesday, October 14, 12 p.m. to 2 p.m.**
